MEMORANDUM FOR: ADP Control Officer for the DD/A
SUBJECT : Reduction of OC FY-75 ADP Resource Allocation

1. In response to your request, OC has reviewed the Office requirements for OJCS resources in FY-75 in an effort to identify reductions.

2. We feel that OC can live with 420 hours of batch-processing CPU time and 5,637 OJCS man-hours. This represents 11% and 19% reductions respectively. While we are continuing our review for possible additional savings, it appears that further cuts will necessitate deferral of one or more projects until subsequent years.

3. Based on your response we will proceed to re-allocate the remaining FY-75 res
